1. (a) Digital India:-

We are implementing various tool of IT to make NIPER, Raebareli a part of **Digital India programme**. The point wise description given below:-

- Implementation of computer network with WI-FI facility in campus and hostel.
 - Biometric attendance System for Faculty, Staff and Student.
 - NIPER, Raebareli is a member of **NKN**. (Having optical fibre connectivity for Internet).
 - Implementation of **SOUL** software in library developed by the **INFLIBNET** Centre.
 - **DSpace** Repository implemented. **DSpace** is a **digital service** that collects, preserves, and distributes digital material. Repositories are important tools for preserving an organization's legacy; they facilitate digital preservation and scholarly communication (NIPER thesis and dissertations work).
 - Website design and developed (In-house) and hosted on NIC Server (Web portal site in progress).
 - Email service on our domain name for Faculty and Staff, service provided by NIC.
 - A web application developed (In-house) for student result automation and result display.
 - An Intranet site for information sharing within the campus.
 - Video conferencing node is enabled at NIPER, Raebareli.
- (b) '**Swatch Bharat Abhiyan**' was organised in NIPER, Raebareli from 2nd October, 2014 taking ahead the legacy and responding to the Nation's call by the Hon'ble Prime Minister Mr. Narendra Modi followed by the communication of the same by Mrs. Smriti Irani, Minister of Human Resource Development, Government of India.

The campaign started with administering of pledge by Project Director to all the faculty & staff members and students to carry out the cleanliness from time to time.

NIPER-Raebareli: Vision

To establish a nationally and internationally recognized brand in the field of education and research of pharmaceutical sciences for the benefit of human kind.

NIPER-Raebareli: RESEARCH LEADERSHIP

- To make a quality bench mark of pharmaceutical education and research and provide exposure to national and international collaborative research facilities.
- Developing NIPER, Raebareli as centre of national importance for pharmaceutical education and research and also giving impetus to the study of sociological aspects of drug use and rural pharmacy in association with the mentor institute CSIR-CDRI, an internationally reputed drug research organization of CSIR.
- As there is no permanent faculty in NIPER, Raebareli the research component at present is negligible.

2. NIPER-Raebareli: Historical Background

The National Institute of Pharmaceutical Education and Research (NIPER), Raebareli has been created as a centre of excellence for higher education, research and development in Pharmaceutical Sciences. The NIPER, Raebareli started functioning from 14th November, 2008 and was last to take roots under the mentorship of the CSIR-Central Drug Research Institute, Lucknow. To begin with, 20 students were admitted through a joint entrance examination conducted by NIPER, Mohali. The Institute expanded its activities from here on and offered M.S. (Pharm.) courses in Medicinal Chemistry and Pharmaceutics from the academic year 2008-2009. During the academic year 2012-2013 a new stream of M.S. (Pharm.) Pharmacology and Toxicology has been started. Before starting the new course a new laboratory was created.

The 1st, 2nd and 3rd Convocation were held on 15th December' 2010, 7th April' 2014 and 11th December' 2015 in CSIR-CDRI, Lucknow respectively. 7th and 8th batch are in progress.

Till such time the Steering Committee Chaired by the Secretary, DoP is authorized to perform the functions of BoG of new NIPERs.

As far as procurements of Stores is concerned the rules of the mentor institute are being followed as per the MoU.

7. NIPER-Raebareli: Learning Environment/ Academics

A. Students

Students from across India are admitted through 2 national level examinations GPAT/NET/GATE and NIPER JEE to ensure that the best students are shortlisted.

- i. Degrees offered and Subjects offered, curriculum and regular revision, duration, credits, assessment system

Degrees Offered	Subject	Curriculum& Revision	Duration	Credits	Assesment System
M.S. (Pharm.)	Medicinal Chemistry	As per NIPER, Mohali	02 Years	50	Credit based CGPA
	Pharmaceutics				
	Pharmacology & Toxicology				

- ii. Completion rates: Students pass out year wise against capacity and admission at UG,PG, Ph.D, PDF,

- iii. Teacher-Student ratio
Faculty Student Ratio= 1: 10
- iv. Student Satisfaction surveys and Employers perceptions-
In general 60-70% NIPER students get placement. However it has been observed that overall the pay package offered to students is slowly decreasing every year. Students most of the time though are satisfied with the company job profile, however at times the pay package and conditions at which companies offers them job (Bond, submission of original documents, fixed amount deposit as guarantee etc.) are somewhat disheartening for students. Recently most of the companies are recruiting students below the rate of their fellowship. Employers however have very good perception about our students in terms of their technical knowledge.
- v. Employability/ Placements
Students are good in terms of technical knowhow, however as mentioned in section iv. above, companies are often getting cheaper manpower at lower remuneration and hence often NIPER students suffer because of this. The placement record yearwise till date is as shown below:

Placement Status till 2015

Batch. No.	Year	Total of Students	No. of Students Placed * As per available records
1	2008-10	20	17

- vi. Ranking by Subject

Ranking	Stream
1 st	Pharmaceutics
2 nd	Pharmacology & Toxicology
3 rd	Medicinal Chemsitry

- vii. Issues in each of the above items and measures proposed to improve performance

Issues:

- Space crunch at mentor institute and appointment of permanent faculty.
- Pharma industry are not offering goods competitive package to pharma students.

B. Teachers

i. Teaching faculty sanctioned, working and vacancies- category wise

Academic Position	Sanction	In Position	Vacancy
Assistant Professor	Nil	01	00
Lecturer	Nil	06	00
Total	00	07	00

* All the faculty members are appointed on contractual basis.

ii. Teachers capacity building programmes- workshops/ conferences/ seminars –inhouse and visited outside. To provide intense academic exposure to NIPER students and faculty every year a symposium is organized in collaboration with mentor institute CSIR-CDRI, Lucknow.

iii. Recognition to Faculty
NIL

iv. Peer review system
The performance of the faculty is assessed periodically. The assessment is based on the student feedback.

v. Issues in each of the above items and measures proposed to improve performance

- At present all faculty are working on contractual basis and there is an immediate need for creation of permanent positions and regularization/ filling the same as early as possible for establishing the departments/institute in fulfilled way.
- Faculty may be provided with Start up Grants for establishing research laboratories.

C. Equity

- i. NIPER rating on Equity-Inclusiveness & Diversity –Faculty, Students, Staff and activities.
 - a. Parameters to be used are based on MHRD DISE :Distribution State / UT, Gender, Educationally marginalised Social groups- SC, ST, Muslims, Disabilities wise and are to be analysed in 3 different ways – Students, Faculty, Technical and support Staff and functions /activities to promote and celebrate diversity.(one page for each analysis)
 - b. Measures proposed to reflect social, gender, religious, cultural, geographic and disability diversity reflecting national character among faculty, administration, technical and support staff; students and NIPER activities/ functions/ celebrations.
