One day workshop on western blot on the occasion of World Entrepreneurs Day

Organized on August 21, 2024

As part of the World Entrepreneurs Day 2024 celebrations on 21st August 2024, NIPER - Raebareli is organizing a panel discussion, from 3:00 PM.

NIPER - Raebareli organized a Panel Discussion with Student/ Faculty/ Entrepreneurs on #WorldEntrepreneursDay. The engaging conversations were truly invigorating, and the remarkable energy from the students fueled the atmosphere with enthusiasm.

In her speech to the scientific assembly, Prof. Shubhini A. Saraf, Director of NIPER-Raebareli, greeted the visitor. She provided guidance on how to nurture and develop the concept of bringing in new small and start-up enterprises.

Resource persons are Abhijeet Srivastava and Eti Srivastava. They guided the students.
