RAEBARELI

A Report
World Environment Day
Organized on 5th June 2024

NIPER Raebareli organized tree plantation at campus and expert lecture on the occasion of World Environment Day on 5th June 2023.

Coordinator: Dr. Nihar Ranjan

Environment Day 2024

Observed every year on June 5th, Environment Day is a worldwide initiative aimed at raising awareness about the critical issues affecting our environment. National Institute of Pharmaceutical Education and Research (NIPER) - Raebareli commemorated Environment Day on June 5, 2024. The event was designed to educate students about the importance of environmental conservation. A tree plantation drive was initiated, with trees being planted in the Institute park by members of Board of Governors and Director, Registrar & Dean of the institute. The Director emphasized the crucial role of the environment and the need for

conservation. On this occasion, a seminar was also organized in the Institute

where two eminent scientists of the country, Prof. Ganesh Pandey and Prof. Manas Ghorai delivered their lectures
